

VOLT X™ NEOVOLT HOME BATTERY SYSTEM

9.6 kWh Battery & 5 kW Inverter

10-Year Product & Performance Warranty

Our VoltX™ Neovolt Home Battery System is backed by a comprehensive warranty for your peace of mind.

Fast ROI

Achieve energy independence and start saving sooner with a system that pays for itself in as little as 3-4 years.

Hybrid Design

A modern, space-saving solution that seamlessly integrates a powerful 10kWh battery with a 5kW inverter, delivering reliable energy for your home.

Scalable Storage

Need more power? Easily connect up to six VoltX™ Neovolt Home Battery Systems for extra storage.

UPS-level Protection

Backup protection (additional charges apply) that protects against surges, spikes, and unexpected blackouts for continuous, reliable energy.

Smart Monitoring

Easily check your home battery parameters in real-time via VoltX™ Neovolt smart app for enhanced control and convenience.

Versatile

Designed for homes with or without solar panels, the VoltX™ Neovolt Home Battery offers flexible financing options and system sizes to match your energy needs seamlessly.

High Efficiency

Get up to 97.3% maximum efficiency rate for reduced energy loss.

Technical Specifications

Specification/Model	Neovolt AC Couple	Neovolt Hybrid
Performance Spec		
AC Voltage	240V	240V
Grid Type	Single Phase	Single Phase
Grid Frequency	50Hz	50Hz
Rated Grid Output Current	21.7A	21.7A
Rated Backup Output Power Continuous	5kVa	5kVa
Peak Output Power	10kVa	10kVa
Internal Battery DC Voltage	96V	96V
Warranty	10 years	10 years
Battery Spec		
Total Energy	9.6 kWh	9.6 kWh
Usable Energy	9.6 kWh	9.6 kWh
Real Power, Max Continuous	5kVa	5kVa
Mechanical Spec		
Dimensions	1120x590x205mm	1120x590x205mm
Weight	108kg	109.5kg
Mounting Options	Floor	Floor
Compliance Information		
CEC listed	Yes	Yes
Environment Spec		
Installation Environment		
Ingress Rating	IP65	IP65
PV Input		
Max . PV Input Power	N/A	10 kW
Max . PV Input Voltage	N/A	580V
MPPT Range	N/A	100-550V
Startup Voltage	N/A	100V
Max. Input Current	N/A	15A/15A
Max. Short Circuit Current	N/A	18.75A/ 18.75A
MPPT Trackers	N/A	2
Strings Per MPPT Tracker	N/A	1/1
